Commissioner Alphonso Mosley
Commissioner Rora Kellis
Commissioner Kris Kosem
Commissioner George Blackwell Jr.

F. Garbage Service

Contract with Waste Management expires 6/30/2016 with obligation for 90 day notice. Mayor Callahan said it would be a good time to send out for bids for this service. He stated Waste Management has done a good job and he asked if anyone had any comments. Commissioner Kellis made a motion to entertain bids for new fiscal year for garbage and notify Waste Management. All were in favor.

G. Preliminary Plat for Alma Street Subdivision

Wes Caddell and Tim Carpentier presented their preliminary plat to the Board and recommendation from Planning Board to move forward and present to town Board. Mr. Caddell stated they would like to proceed with a final plat in late summer or early fall. Mr. Carpentier told the Board they have been in preliminary discussion with the County in regards to sewer and fire flow. Commissioner Callahan asked about the issue of sewer. Mr. Caddell stated they have been in discussion with the County regarding a pumping station and capacity issues. There are possibly plans for a new school and another subdivision on the other end of Town that would also affect the town and capacity.

Mike Cameron with the fire department was present and addressed questions regarding water flow issues.

Mayor Callahan wanted to schedule a meeting with the County and some of the Commissioners regarding the future growth of sewer in Vass. Kathy Liles stated she had been by and talked to Randy Gould, Public Utilities Director. He indicated he wanted to see the preliminary design of this system and once that took place they would want to then meet with the Town to discuss the Town's needs at that time. There was additional conversation on the sewer issue.

Kathy Liles also has had a conversation with Town Attorney and he is reading through the contract with the County dated 1992. There was discussion regarding the contract.

Mayor Callahan along with some of the town Commissioners would like a meeting soon with representatives of the County. He told the developers he would not want to hold up their proceeding

with their plans and would like to get the County to make a position on the sewer issue. Kathy said one of the things could be moved forward starting with PUD approval. Approve master plan and then come back and approve the preliminary plat once the sewer issue is resolved. Mayor Callahan asked for a motion to approve the master plan for the development. Motion made by Commissioner Kellis. All were in favor.

Wes Caddell asked if they would have to go back to the Planning Board. Commissioner Callahan stated that the Planning Board approved the Preliminary Plat and it would not have to go back to the Planning Board.

H. Letter to CSX

Commissioner Kellis stated there was once a bridge in Town that crossed over the railroad connecting Seaboard Street with Maple Street. He sent an e-mail recently to CSX and has not heard back. He stated there are people who would like to see a foot bridge that could connect the community and be part of a walking trail through town. He would like to see a walking bridge crossing the railroad to be constructed in this location. The walking bridge could be part of a walking trail through town that could also include the parks. Commissioner Kellis asked if we as a town could send a letter to CSX requesting that possibility and if it is something they would consider. Mayor Callahan asked Town Clerk to write a letter to CSX Railroad regarding getting permission to pursue installing a bridge once again in this location. Motion made by Commissioner Kellis to send letter to CSX. All were in favor. Mayor Callahan asked Town Clerk to write the letter to CSX.

I. Nomination for Planning Board Vacancy

Commissioner Callahan said he would like to nominate Jeff Stroder who is a P.E. and works with the Department of Transportation and could be an asset to the Planning Board. He stated he would step down if he found someone who would replace him. Mosley made a motion to nominate Jeff Stroder to the Planning Board. All were in favor.

Adjournment

Commissioner Blackwell made a motion to adjourn the meeting at 8:05 p.m. The motion carried unanimously.
